E-GOVERNANCE POLICY

❖ **Area of Implementation:**

1. Student Admission
2. Academics & Office
3. Finance & Accounts
4. Library
5. Website & Social Media

1. Student Admission:

Students' admissions are proceeded with the ERP system in online mode of admissions for each stream. The admission committee has all rights to take appropriate decisions and appoint the people who will be responsible for putting the policy into action.

2. Academics & Office:

A flexible administrative procedure is followed with ERP software for smooth conduction, convenient and cost-effective approach. The institute administration procedure is targeted to expand institutions vision and mission, achieve compliance of laws and regulations as applicable, strengthen the internal controls and promote operational efficiency. It focuses on enhancing functional competences, best practices, effective decision-making and compliance with laws and regulations as applicable.

3. Finance & Accounts:

The Institute is committed to provide the best resources to all the stake holders. The institute has a system of managing and mobilizing its financial resources which is periodically audited and transparent. The parent institute of the HEI uses Tally accounting software to keep track of its finances. Appropriate security measures will be adopted to ensure transaction confidentiality. The present

office staff must be trained on a regular basis, and the existing software must be updated.

4. Library:

The institutional library is the knowledge center for learning resources and publications. Due to the demands of various stakeholder. Institutional library updates periodically. In order to promote remote access and effective exchange of library resources, journals, N-LIST is widely used by staff and students, as per the recommendations of Library Committee, e-learning resources, such as online/digital research journals and other published material accessed and subscribed. Staff and students should undergo extensive training on how to access and use e-learning materials. Library access to e-journals & e-resources is provided in and outside the campus.

5. Website & Social Media:

The institute website is to be updated continuously. To create an easy, catchy and user-friendly website, the management may work with a different service provider or web designer. Website committee will undertake the responsibility of website administration and updating.

Annual Report of E-Governance

The IQAC of Arts, Science and Commerce College, Indapur initiated a mechanism of e- governance in areas of operation. The major objectives of e-governance were to enhance efficiency in functioning of administrative work. This helps streamline resources, aid in optimum utilization of manpower, computerized data collection, provide easy access to information, minimize use of paper and considerably reduce the time taken to carry out administrative work.

➤ **Implementation of e-Governance:**

❖ **Administration:**

- Brings transparency
- Reduces the use of paper
- Makes all official records and data digitally available
- Increase efficiency in workflow

❖ **Finance and Accounts:**

- Beneficial for tracking fee collection from students and maintain proper accounts
- Tally ERP 9.0 software is used to maintain proper books of accounts

❖ **Student Admission and Support:**

- Online admission- This method is beneficial for students seeking admission to various academic programs offered by the college. Institute provide online facilities like filling the admission form, submission of application with prescribed documents, fees, etc. remotely and could avoid travel during the pandemics.

Communication with students on academic and official matter could be carried out easily through WhatsApp groups, emails, Zoom, Google meet and other social media platforms.

The institute website served all the information about college (academic, administrative, examination, etc.) for all students.

Vruddhi software is used for various purposes like students' admissions, library functions, examination section and scholarship regarding work. N-LIST is used by library for staff and students to overcome the difficulties to search various international research papers and journals.

❖ **Examination:**

- The academic data of examination related work such as syllabus, examination schedule, exam form, hall tickets, seating arrangement and result of examination is available on SPPU website.
- In the covid-19 pandemics, affiliating university and college conducted online examination. Marks entries of internal and external examinations were completed online through the university software. College utilized Learning Management System for Continuous Internal Assessment of students throughout the year. Automation in examination management helped in introducing efficiency and transparency in assessment and evaluation methods and facilitated smooth conduct of examinations.

The e-governance report for the academic year 2018 to 2023 was submitted to the College Development Committee (CDC), the Governing Council body and was verified and accepted.

Steps for Institute Registration

A database of institutes across Maharashtra and their respective courses has been compiled from data provided by DTE, DHE, DMER, DVET, MCAER, MNC and the School Education Dept.

Please use the Institute Profile Module of the DBT Portal and verify the details on the Portal with respect to your institute (institute information, course, fee & exam details) and accordingly modify or add details. Modifications or additions made by you will be updated in the database, once they are approved/verified by the respective department.

After Login credentials are received on email for Clerk and Principal, Respective user should login via the URL of the Portal.
