5.3.1 Number of awards/medals for outstanding performance in sports/ cultural activities at university / state/ national / international level during the last five years.

Ans:

"During the SSR and DVV submission, we initially provided 101 medals and awards for sports and cultural activities. However, only 29 were accepted, while the benchmark for full marks appears to be around 30. We have thoroughly reviewed and revised our data, resulting in a total of **63** awards. We have included a detailed table of these awards with year-wise information. While we are prepared to provide any additional supporting information you require, we kindly request confirmation that 30 eligible awards will indeed be sufficient to achieve the full benchmark."
