

CLEAN AND GREEN CAMPUS INITIATIVES

Action Taken Report

- Adopt an environmentally responsible purchasing policy and work towards creating and implementing a strategy to reduce environmental impact.
- Drips and sprinklers can be used for watering the gardens and trees.
- E-waste and solid waste segregation, handling and disposal can be deployed at the campus.
- Reduction in use of paperwork by goes digital system.
- Water meters should be installed at the college for monitoring water consumption for gardening and landscape.
- Exhaust fans will be provided in the canteen kitchen.
- It is recommended to measure emissions from every vehicle of staff and students & ambient air quality at least once a year and results should be compared with Indian Ambient Air Quality Standards.
- Encourage staff and students who regularly use sustainable modes of transportation, such as walking, cycling, or public transportation, by offering them prizes or recognition for their green commuting efforts.
